Experience

Graphic Designer, Curri
Feb 2021–June 2022

Handled an array of projects. From print design & production, animated web banners, & instructional videos to small UI/UX tasks. Developed design resources for internal & external use.

Motion Designer, Photoelectric
May 2017–July 2020

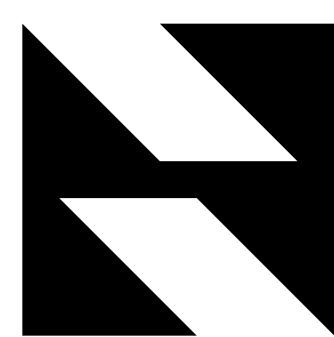

Illustrated & animated sets of cohesive characters for various projects. Added interest to logos through animation. Worked on three seasons of Carolina Panthers stadium boards. Animated graphics for Wake Forest University football & basketball promotional material. Created & animated 3D assets for web.

Freelance
Dec 2014–present

Took on various freelance opportunities, including branding, illustration, logo animation, & apparel design. Recently did some 3D animation for a local minor league baseball stadium.

Motion Design Intern, Photoelectric
Jan 2017–May 2017

Learn the general basics of Adobe After Effects & motion design. Worked on animated web banners, logos, & video textures. Tasked with creating a full video featuring 8-bit animation & a cyborg Kawhi Leonard for Old Spice.

Education

Bob Jones University

Sep 2013–Dec 2018

School of Hard Knocks

June 1995–present

Interests

Screen-printing

Science
