

# Love Using Curri?

Looking for consistent quality in your delivery experience?

If you want Curri to be your preferred vendor, please email your request to: [courier.management@sherwin.com](mailto:courier.management@sherwin.com)

## Fast, dedicated customer support & live tracking

- Live delivery tracking emailed to the sending and receiving store as soon as your driver is assigned
- Live chat with our Delivery Operations team through the tracking link, or you can call us with your Sherwin Order Number at (877) 772-8774

## Maximize your fleet on every delivery

We have the widest breadth of fleet to deliver any size load. Whether it be one can of paint or pallets of 25-gallon buckets we've done it all.

## Nationwide coverage with no distance restrictions

Whether it's to a branch 50 miles away or for a retail customer over 150 miles away, Curri will get it delivered.

## Drivers trained in paint delivery

Paint spills create setbacks. Curri drivers receive training on the proper way to load and secure paint cans.
